CATERING SELECTIONS

Wolfgang Puck
catering

Food is pleasure, food is fun,
food is meant to be shared.

One of the things that I love about catering is that a lot of people get to experience the food that I cook from my heart - all at the same time. I personally oversee the chefs, as well as the menus and recipes that are prepared for you and your guests in Dallas.

I believe that fancy food doesn't necessarily have to be fancy to dazzle your palate. I grew up as a young boy in Austria, in a house with no refrigerator. I learned to cook at the age of twelve by using only what was available; fresh, local and seasonal ingredients to create the tastiest food and unexpected flavors. Some people may call it a trend, but I have been cooking this way in my restaurants for more than 25 years.

And we take pride in setting a higher standard for catered events by preparing our delicious cuisine 'a la minute', or restaurant style "to order". You will see and taste the difference that fresh, on the spot preparation makes.

Our catering business started when my customers at Spago asked me to cook for their parties at their homes. Since then, our catering business has grown to providing catering at 29 wonderful cultural and landmark institutions in the United States. So whether you are hosting 20 or 2,000, I hope you will experience the love and passion that I put into my cooking.

Live. Love. Eat!

Your catering manager will consult with you on the specific details of your event and provide you with an estimate for rental equipment, if needed.
