**THE THEATER PROVIDES MAGNIFICENT VIEWS** of Boston's harbor and skyline. The glass walls can be covered by three layers of shade, ranging from sheer to complete blackout, or remain uncovered to reveal the stunning backdrop. With 325 seats, it is an ideal space for annual meetings, product introductions, award presentations, and other special events. The theater stage is also a gorgeous spot for dinners and receptions. Rental of the theater includes the use of A/V and sound equipment contained in the space. Additional costs will be assessed for technical staff and extra equipment needs.
